Note A. Offeror shall complete the estimated cost, fee, and CPFF above.

52.216-1 TYPE OF CONTRACT (APR 1984)

The Government contemplates award of a CPFF contract resulting from this solicitation.

(End of provision)

N00244B010 FEE ADJUSTMENT DUE TO VARIATIONS IN THE LEVEL OF EFFORT AND PAYMENT OF FEE (AUG 1992) (FISC SAN DIEGO)

This contract requires performance by the Contractor for a base period and four option periods as identified in Section B and elsewhere herein. It is understood that the actual quantity of effort required hereunder may fluctuate from the amount estimated by the parties.

The total number of hours of direct labor (including overtime and subcontract hours, but excluding holiday, sick leave, vacation and other excused absence hours) anticipated to be expended hereunder is estimated to be [REDACTED] hours per contract period, which quantity, as set forth herein or as expressly changed by formal modification hereto, is hereinafter referred to as the "estimated total hours."

If, at any time during a performance period of this contract, the number of direct hours utilized under this contract exceeds 85% of the estimated total hours, or if the total number of estimated hours required under delivery orders issued hereunder exceeds the estimated total hours, the contractor shall immediately notify the Contracting Officer of such circumstances.

----------------------------------	----------------------------	----------------------------------	-------------------	-------

The estimated cost and fixed fee are based on the estimated total hours. If the Contracting Officer determines that a quantity of hours greater than the estimated total hours is required, the fee may be adjusted by negotiated agreement. In the event that less than the estimated total hours established for the performance period are utilized, the fee shall be proportionately reduced to reflect the reduction in work. The Government shall make payment, on account of the fixed fee, at the rate of

Base Period: \$ [REDACTED]  
Option Period I: \$ [REDACTED]  
Option Period II: \$ [REDACTED]  
Option Period III: \$ [REDACTED]  
Option Period IV: \$ [REDACTED]

per direct labor hour invoiced by the Contractor under the clause entitled "Fixed Fee" (FAR 52.216-8) for the related period, subject to the withholding provisions of paragraph (b) of said clause. If delivery orders are issued under this contract, the total of all such payments shall not exceed 85 percent of the fixed fee specified under each delivery order. Any balance of fixed fee shall be paid the Contractor, or any overpayment of fixed fee shall be repaid by the Contractor or otherwise credited to the Government, at the time of final payment.

Nothing herein shall be construed to alter or waive any of the rights or obligations of either party pursuant to the clause hereof entitled "Limitation of Costs" or "Limitation of Funds" either of which clause as incorporated herein shall apply to each individual delivery order issued hereunder.

N00244B011 LEVEL OF EFFORT – OPTION PERIOD (AUG 1988) (FISC SAN DIEGO)

The terms of the above provision entitled "Fee Adjustments Due to Variations in the Level of Effort" shall apply to base and all option period(s).

Any unused level of effort (direct labor hours) or estimated cost from one contract period is not transferable or available for use in a subsequent (option) period.
